**If You Use Face Powder
USE THE BEST—
Dr. Fred Palmer's
Skin Whitener Powder**

The most successful powder ever made for bringing out the beauty of a dark complexion.
TEST IT CRITICALLY
We want every woman who has never tried SKIN WHITENER FACE POWDER to put it to this test.

Powder your face before your mirror on one side with the face powder you have been using; powder the other side of your face with PALMER'S SKIN WHITENER FACE POWDER. Notice how evenly SKIN WHITENER POWDER adheres to the face, and the soft and beautiful appearance it gives to the skin. Compare it to your heart's content.

This test will convince the most skeptical that our claims are based on fact, and that SKIN WHITENER FACE POWDER is just what we claim—the best face powder that money can buy.

It is put up in a beautiful box, the same size that retails for 50c and upward for other powders not near so good.

Price 25c at all druggists and toilet goods dealers, or sent direct for 25c postpaid. Write to **JACOBS' PHARMACY CO.** Atlanta, Ga.
